Plant a tree in 2007

Friends of trees and Arbor Lodge Neighborhood are organizing a tree planting in the Arbor Lodge Neighborhood! Planting Day will be January 27th.

The city will tell you how many trees you can have for your parking strip. They will cost as little as \$35 per tree. All participants are asked to help plant trees on planting day or volunteer in some other way. You will get a tree between 1 1/4" and 2" in diameter (6' to 14' tall), holes will be dug for you and planting assistance on planting day mulch with stakes and ties. There will also be follow up monitoring.

Go to Friendsoftrees.org to see the tree types
